2. SAFA and the NSWHPA

The Hang Gliding Federation of Australia (HGFA) conducted a Special General Meeting on 30th May 2019 at their Melbourne Office in Melbourne to consider a Special Resolution to evolve the governance structure from an Incorporated Association to a Company Limited by Guarantee.

The new Sports Aviation Federation of Australia (SAFA) is a Company Limited by Guarantee consisting of regional bodies and affiliated Associations, Clubs and individuals whose aims and objectives are to foster and encourage the operation of hang gliders, paragliders and weight-shift micro lights for educational and recreational sporting purposes. This also encompasses other forms of flying such as motorised Hang Gliding (PHG) and powered Paragliding (PPG). The NSW Hang Gliding and Paragliding Association (NSWHPA) is both an Affiliated Association with, and the NSW Regional body of the SAFA.

3. The Objects

The principal roles of the NSWHPA in NSW are to:

- a) provide assistance to SAFA Operations Manager in the management, coordination and administration of the affairs of SAFA
- b) assist and coordinate, as necessary, the activities of SAFA affiliated clubs in:
 - i. control of operations
 - ii. retention and development of sites
 - iii. the liaison with local, state and regional governmental bodies
- c) to encourage and foster the development of
 - i. the sports administered by SAFA and
 - ii. local clubs to control the operational aspects of these sports.
- d) develop such relevant and applicable policies and guidelines, and adopt and implement such policies as may be developed by SAFA.
- e) use and protect the Intellectual Property and apply the property and capacity of the association toward the fulfillment and achievement of these objects.
- f) promote the health and safety of members and all other participants.

The NSWHPA administers the funding from the state sports development levies and may pursue such commercial arrangements and government grants, including sponsorship and marketing opportunities as are appropriate to further the interests of members. These funds are used to assist clubs in projects to

- a) Develop and maintain flying sites. This system helps keep club membership fees down and maximises the number of "free flight" sites available to NSWHPA members
- b) Train and develop piloting skills.
- c) Provide access to flying sites on both private and public land.
- d) Assist in the development of flying competitions.
- e) Promote the growth of the sport through:
 - i. the retention of existing members by providing:
 - the opportunity for members to become better pilots and
 - a supporting and enjoyable flying community.
 - ii. the encouragement of new members by promoting the sport within the NSW and local community.
- f) Administer the Association for the benefit of members, by ensuring sound financial management and good governance
